

## GOURMET SELECTION RETURNS TO CELEBRATE GOURMET GROCERS SUNDAY 15 AND MONDAY 16 SEPTEMBER 2024 IN PARIS

The gourmet grocery and good taste trade fair is already looking forward to welcoming industry professionals at its 11th edition, which will be all about gourmet delights and expertise. Gourmet Selection is the ideal meeting place for distributors (gourmet grocery stores, hotels, restaurants, cafés and food artisans) and producers of gourmet products. It will be held on Sunday 15 and Monday 16 September 2024 at Paris Expo Porte de Versailles.

### GOURMET SELECTION 2024 EXHIBITORS

As every year, more than 300 French and international exhibitors will be at the show, with the crème de la crème of gourmet grocery products from home and abroad. Among the products on display will be **Levoni** Italian cured meats. The transalpine brand enjoys "this trade show, which focuses on business and the many contacts made with gourmet food retailers".

Also on display will be **Sturia** caviar, **Terroirs du Liban** products from the Lebanon, **Conserverie Sillon** jars, **Atelier Bernard Marot** soups, sauces and spreads, **Moulin de la Veysière** walnut and hazelnut oils, **Martin Pouret** vinegars, mustards and gherkins, **Esprit Sous-Bois** mushrooms, **La Plantation** spices, **Maison Bissardon** fruit juices, **La Sablésienne** biscuits, **Bon Vivant** dairy products, **Ercus** sugars and many other gourmet delights that their talented producers will soon be able to enter in the Best Of 2024 competition, which rewards the best gourmet products exhibited at the show!

### A REVIEW OF THE 2023 EDITION

At the last edition in September 2023, Gourmet Selection welcomed 4,300 professionals and **328 exhibitors (47% of whom were new companies)** representing **411 brands**, from France and all over the world, with **23% of international exhibitors** from **15 countries**. 54% of French visitors were from the regions and 46% from Île-de-France (greater Paris). Foreign visitors, whose numbers are on the increase, came mainly from Belgium, Italy and Spain.

There were also buyers from Korea, Israel and the United States, like Michel Stretz, Vice-President of French Food Export in the United States: "The strength of Gourmet Selection is the wide diversity of producers who attend: ideal for sourcing the best France has to offer! The show is also an opportunity for us to meet our future suppliers, and to strengthen ties with long-standing ones."
